Shomvob HR

Shomvob Technologies Limited

Shomvob HR

Date: 02 September, 2026

To,
Managing Director
Mr. Terra

Subject: Proposal for SaaS Based Human Resource Information System for Terraprime Hotels & Resorts Ltd.

Dear Sir,

Shomvob Technologies Limited, a leading provider of cloud-based HR and Payroll solutions, is pleased to offer a SaaS Based Human Resource Information System (HRIS) solution. Since 2024, we've helped over 100+ organizations streamline HR operations with secure and scalable technology.

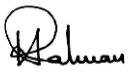

Solution Overview

Following our meeting on September 02, we are excited to propose a fully managed, cloud-based HRIS solution for Mr. Terra. Our SaaS HRIS system is designed for seamless access from anywhere, minimizing IT infrastructure requirements while ensuring robust, secure, and real-time access to your HR and payroll data.

Ongoing Support & Updates

With Shomvob SaaS HRIS, you benefit from continuous system updates and feature enhancements, ensuring that your organization always has access to the latest tools and capabilities without additional effort or cost. Our dedicated support team is available to assist with any queries or issues, ensuring smooth operation of the system.

We are thrilled at the opportunity to partner with Mr. Terra and help optimize your HR operations with our cutting-edge technology. Please reach out for further details or any clarifications you may need.

Hasib Rahman
Chief Operating Officer

PROPOSAL — SHOMVOB HR MANAGEMENT

Built Around How You Work

Prepared for: **Terraprime Hotels & Resorts Ltd** Date: **02 September, 2026** Valid for: **30 days**

Shomvob HR brings your selected modules together into one connected system for Terraprime Hotels & Resorts Ltd — designed to work as a whole, not as separate tools bolted on afterward. Data entered once in any module flows automatically through approvals, reporting, and payroll, so information never needs to be re-entered by hand. The modules below reflect what's most relevant to your team today, with room to add more as you grow.

Module Highlights

Attendance

- Daily attendance overview across the full team
- Forget-attendance & late-waiver requests, approved in one place
- Remote and work-from-home attendance tracked the same way
- Date-range & monthly reports, ready for payroll

Leave Management

- Configurable leave types & policies per employee group
- Holiday calendar and bonus leave configuration
- Approval center for managers, on web or mobile
- Leave history reports for every employee

Payroll

- Payroll dashboard, drafts, and payslip history
- Bonus types, policies, and off-cycle bonus runs
- Attendance and leave feed directly into each cycle
- Outstanding salary tracked until it's paid

Roster & Scheduling

- Shift scheduling by team or department
- Capacity overview and capacity planning
- Working-hour patterns, time slots, and week setup
- Groups for floor, warehouse, or office staff

Device Integration

- Biometric face or fingerprint clock-in/out
- Automatic sync into the Attendance module
- No manual sign-in sheet or register involved
- Tamper-resistant attendance record

Phone number

> We will not keep your employee phone numbers in our system. But this data is crucial for our system. So we will use a format to generate random numbers for each employee.
> Phone number = **016 000 00 [emp id]**
> Use 016 at first, then 5 zero and end with the employee id used.

PROPOSED FINANCIAL

Commercial Terms & Conditions

Shomvob Technology Limited delivers high-quality results at highly competitive prices. As a special consideration for building a long-term business relationship with Mr. Terra, Shomvob Technologies Limited proposes the following attractive commercial terms.

Category	Details
Client Name	Mr. Terra
Number of Employees	22 Employees
HRIS Monthly Subscription Fee (MRC)	**2,222 BDT**
Software Rollout Charge	**2,214 BDT**
Support	Maintenance & Technical Support Free
Field Employee Tracking (MRC)	**Per User 18 BDT**

Additional Services During Subscription

> **Customization** — Any customization beyond the standard features will be subject to additional charges. A detailed feature-wise quotation will be shared after the requirement analysis is completed.

Terms and Conditions

1. 5% VAT will be added on the total invoice amount.
2. Payment should be made through bank transfer or cheque in favor of Shomvob Technologies Ltd.
3. Any additional features or modules requested after the trial-and-error period will be subject to additional charges, based on scope and requirements.
