1. Scope of Services

Shomvob Technologies Limited will provide the following services:

System Access — the Client will be granted access to the cloud-based HRIS platform, scoped to the HR functions selected under *System Features* below.

Deployment — the SaaS HRIS system will be deployed and configured according to the agreed-upon specifications.

System Features — the following modules are included for this Client:

- Employee Management
- Attendance
- Leave Management
- Payroll

Updates & Enhancements — the Provider will regularly update the system, adding new features and security patches as required.

---

2. Service Availability

System Uptime — the SaaS HRIS system will be available 99.5% of the time per calendar month, excluding scheduled maintenance periods.

Scheduled Maintenance — performed during non-business hours; the Provider will notify the Client at least 48 hours in advance.

3. Performance Metrics

Response Time

Critical issues (e.g., system downtime) will be addressed within 2 hours.

Non-critical issues (e.g., minor bugs) will be addressed within 24 hours.

Resolution Time

For critical issues, the system will be restored to normal functionality within 12 hours.

For non-critical issues, resolution will occur within 48 hours.

---

4. Data Security & Compliance

Data Encryption — all sensitive data stored in the system will be encrypted both in transit and at rest.

Data Backup — regular backups of the Client's data will be performed and retained for up to 30 days.

Compliance — the system will comply with applicable data protection laws, including GDPR where applicable.

Hosting — the Provider's solution is hosted on AWS under standard security protocols; no on-premises servers are used for data storage.

Access Control — the Provider will not access Client accounts without the Client's permission.

Data Retention on Exit — data is deleted per the Client's instruction, or automatically after 6 months if no instruction is given.

Backup Schedule — scheduled backups occur twice daily for data recovery purposes.

Data Portability — following discontinuation of service, the Client may request a data transfer within 2 months, free of charge.

Liability — the Client may pursue legal action against the Provider if data is lost as a result of the Provider's operational negligence.

Transport Security — data transfers are secured using SSL/TLS (HTTPS) with a DV certificate reissued every 90 days; passwords are protected using the Provider's proprietary encryption mechanism.

---

5. Support Services

Helpdesk Support — available 9:00 AM to 11:00 PM, Saturday to Thursday.

Support Response Time

Critical issues will be responded to within 2 hours.

Non-critical issues will be responded to within 1 business day.

Support Channels — email, phone, or an online ticketing system.

---

6. Client Responsibilities

User Training — the Client will ensure relevant personnel are trained on the SaaS HRIS system.

User Access — the Client is responsible for managing user access so that only authorized personnel reach sensitive HR data.

Infrastructure Requirements — the Client must maintain an internet connection and any necessary hardware.

---

7. Fees & Payment Terms

The Client will pay a recurring subscription fee for the SaaS HRIS system, as set out below:

Sl. No	Item Description	Per Employee Cost	Monthly Costing

VAT of 5% applies in addition to the amounts above. If the number of employees increases beyond the contracted tier, the package must be upgraded accordingly.

Payment Terms

Payment is due on an annual or monthly basis, as agreed in this contract.

All payments must be made within 30 days of the invoice date.

---

8. Confidentiality

Both parties agree to maintain the confidentiality of any proprietary information or data shared during the course of this Agreement, including but not limited to employee data and business operations.

9. Dispute Resolution

In the event of a dispute, both parties agree to attempt to resolve the issue through negotiation or mediation. If the issue cannot be resolved through these methods, it will be resolved through arbitration in accordance with the laws of Bangladesh.

10. Limitation of Liability

The liability of the Provider will be limited to the amount paid by the Client for the SaaS HRIS solution over the preceding 12-month period. The Provider will not be liable for any indirect, incidental, or consequential damages, including but not limited to loss of profits, revenue, or data.

11. Termination & Renewal

Termination — either party may terminate this Agreement by providing 30 days' written notice.

Renewal — this Agreement will automatically renew unless either party provides written notice of non-renewal at least 30 days before the end of the current term.

12. Entire Agreement & Authorization

This Agreement contains the full understanding between both parties regarding the matters covered in it and supersedes all previous discussions, agreements, or understandings, whether written or verbal. Any changes to this Agreement will only be valid if made in writing and signed by authorized representatives of both parties.

13. Execution

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the dates set forth below. Each individual signing this Agreement hereby represents and warrants that they are duly authorized to execute and deliver this Agreement on behalf of the respective organization and to bind such organization to its terms and conditions.
