Shomvob Technologies Limited

Shomvob HR

Date: 16 September, 2026

To,
Mr. Thor Odinson
MTO
Asgard & Co

Subject: Proposal for Biometric Attendance Device for Asgard & Co.

Dear Sir,

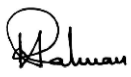

Shomvob Technologies Limited is pleased to propose an integrated Biometric Attendance Device solution for Asgard & Co, connected with the Shomvob cloud-based HR and Payroll software. This solution will help ensure accurate and real-time attendance tracking, prevent proxy check-ins, reduce manual HR workload, and improve payroll accuracy. Attendance data will automatically sync with the Shomvob HR platform, allowing HR teams to manage attendance, leave, overtime, and payroll more efficiently.

Key Benefits

- Real-time and accurate attendance records
- Prevention of proxy attendance and time theft
- Seamless integration with HR and Payroll
- Reduced manual work for HR teams
- Faster and more accurate payroll processing
- Improved transparency and employee accountability

Shomvob Technologies Limited is committed to supporting Asgard & Co in building a more efficient, secure, and transparent HR operation through smart digital solutions.

We are thrilled at the opportunity to partner with Asgard & Co and help optimize your HR operations with our cutting-edge technology. Please reach out for further details or any clarifications you may need.

Hasib Rahman
Chief Operating Officer
Shomvob Technologies Limited

PROPOSED FINANCIAL

Commercial Terms & Conditions

Shomvob Technologies Limited proposes the following biometric attendance hardware and installation scope for Asgard & Co. All devices quoted below integrate directly with the Shomvob HR platform, so attendance punches reach attendance, leave, overtime, and payroll without a manual export step.

SN	DESCRIPTION	BRAND	MODEL NO	UOM	QNTY	UNIT PRICE	TOTAL PRICE
1	**Biometric Access Control (Face, Finger and Card)**	ZKTeco	SanseFace 2A	Nos.	1	12,000.00	**12,000.00**
2	**12V 3A Adapter For EM Lock**	NexaKey	NX-123X	Nos.	1	600.00	**600.00**
3	**Installation & Testing (Excluding Civil Work)**	N/A	N/A	Nos.	1	3,000.00	**3,000.00**
Excluding VAT & AIT						**Total**	**15,600.00**
						Grand Total	**15,600.00**

All figures are in BDT. The quotation is subject to the terms and conditions on the following page.

SCOPE & OBLIGATIONS

Terms and Conditions

1. **WARRANTY:** One Year on all quoted hardware items. Warranty will be void due to burn, physical damage, mishandling and/or natural disaster (i.e. lightning, fire, flood, etc.).
2. **PAYMENT:** Cash on delivery. Payment can be made by Cash, Cross Cheque, or Bank Payment.
3. **DELIVERY TIME AND PROCESS:** Goods will be delivered at the premises within Dhaka city at Shomvob's own cost. Tentative delivery time: 03-05 working days from the date of issuing the work order with advance payment. Delivery time may increase due to manufacturing lead time and/or shipment and customs clearing time.
4. **CABLE & ACCESSORIES:** Client's part.
5. **INSTALLATION:** As per client request.
6. **CLIENT'S PART:** All power connectivity, server, network, civil works, and surge protection/grounding will be provided by the client (as required).
7. **SERVICE AND SUPPORT:** Onsite service and support is not included. For onsite service and support, service charges are applicable.

> **Platform integration** — the quoted devices report into the Shomvob HR platform. Attendance, leave, overtime, and payroll continue to be governed by the subscription agreement in force between Shomvob Technologies Limited and Asgard & Co; this quotation covers hardware and installation only.
