Shomvob HR

Shomvob Technologies Limited

Shomvob HR

Date: 04 October, 2026

To,
Mr. Thor Odinson
Asgard & Co

Subject: Proposal for SaaS Based Human Resource Information System & Biometric Attendance Device for Asgard & Co.

Dear Sir,

Shomvob Technologies Limited, a leading provider of cloud-based HR and Payroll solutions, is pleased to offer a SaaS Based Human Resource Information System (HRIS) together with integrated biometric attendance hardware. Since 2024, we've helped over 100+ organizations streamline HR operations with secure and scalable technology.

Solution Overview

Following our meeting on October 04, we are excited to propose a fully managed, cloud-based HRIS solution for Asgard & Co. Our SaaS HRIS system is designed for seamless access from anywhere, minimizing IT infrastructure requirements while ensuring robust, secure, and real-time access to your HR and payroll data.

Biometric Attendance Hardware

Alongside the platform, we propose biometric attendance devices installed at your premises and connected directly to the Shomvob HR system. Punches sync automatically into attendance, leave, overtime and payroll — no manual export.

- Real-time and accurate attendance records
- Prevention of proxy attendance and time theft
- Seamless integration with HR and Payroll
- Reduced manual work for HR teams
- Faster and more accurate payroll processing
- Improved transparency and employee accountability

Ongoing Support & Updates

With Shomvob SaaS HRIS, you benefit from continuous system updates and feature enhancements, ensuring that your organization always has access to the latest tools and capabilities without additional effort or cost. Our dedicated support team is available to assist with any queries or issues, ensuring smooth operation of the system.

We are thrilled at the opportunity to partner with Asgard & Co and help optimize your HR operations with our cutting-edge technology. Please reach out for further details or any clarifications you may need.

Hasib Rahman
Chief Operating Officer
Shomvob Technologies Limited

PROPOSAL — SHOMVOB HR MANAGEMENT

Built Around How You Work

Prepared for: **Asgard & Co** Date: **04 October, 2026** Valid for: **30 days**

Shomvob HR brings your selected modules together into one connected system for Asgard & Co — designed to work as a whole, not as separate tools bolted on afterward. Data entered once in any module flows automatically through approvals, reporting, and payroll, so information never needs to be re-entered by hand. The modules below reflect what's most relevant to your team today, with room to add more as you grow.

Module Highlights

Attendance

- Daily attendance overview across the full team
- Forget-attendance & late-waiver requests, approved in one place
- Remote and work-from-home attendance tracked the same way
- Date-range & monthly reports, ready for payroll

Leave Management

- Configurable leave types & policies per employee group
- Holiday calendar and bonus leave configuration
- Approval center for managers, on web or mobile
- Leave history reports for every employee

Payroll

- Payroll dashboard, drafts, and payslip history
- Bonus types, policies, and off-cycle bonus runs
- Attendance and leave feed directly into each cycle
- Outstanding salary tracked until it's paid

Roster & Scheduling

- Shift scheduling by team or department
- Capacity overview and capacity planning
- Working-hour patterns, time slots, and week setup
- Groups for floor, warehouse, or office staff

Document Management

- Reusable templates for HR documents
- Configurable variables for fast document generation
- Consistent formatting across the organization
- One place for every generated document

Shomvob HR

PROPOSED FINANCIAL

Commercial Terms & Conditions

As a special consideration for building a long-term relationship with Asgard & Co, Shomvob Technologies Limited proposes the following commercial terms, covering both the HRIS subscription and the biometric attendance hardware.

SN	DESCRIPTION	BRAND	MODEL NO	UOM	QNTY	UNIT PRICE	TOTAL PRICE
RECURRING — BILLED MONTHLY							
1	**HRIS subscription — 200 employees**	Shomvob HR	—	Month	1	20,000.00	**20,000.00**
						Monthly total	**20,000.00**
ONE-TIME — HARDWARE, INSTALLATION & ROLLOUT							
2	**Biometric Access Control (Face, Finger and Card)**	ZKTeco	SanseFace 2A	Nos.	1	12,000.00	**12,000.00**
3	**Installation & Testing (Excluding Civil Work)**	N/A	N/A	Nos.	1	3,000.00	**3,000.00**
						One-time total	**15,000.00**

First invoice One-time total plus the first month	**35,000.00**
Thereafter	**20,000.00 / month**

All figures are in BDT. Billing, payment, warranty and delivery terms are set out on the following page.

SCOPE & OBLIGATIONS

Terms and Conditions

1. **VAT & AIT:** All figures in this proposal exclude VAT and AIT.
2. **BILLING:** The monthly subscription is billed from the month the platform goes live. Hardware, installation and rollout are billed once, on the first invoice.
3. **SCOPE CHANGES:** Any additional features, modules or devices requested after rollout will be subject to additional charges, based on scope and requirements.
4. **WARRANTY:** One Year on all quoted hardware items. Warranty will be void due to burn, physical damage, mishandling and/or natural disaster (i.e. lightning, fire, flood, etc.).
5. **PAYMENT:** Cash on delivery. Payment can be made by Cash, Cross Cheque, or Bank Payment.
6. **DELIVERY TIME AND PROCESS:** Goods will be delivered at the premises within Dhaka city at Shomvob's own cost. Tentative delivery time: 03-05 working days from the date of issuing the work order with advance payment. Delivery time may increase due to manufacturing lead time and/or shipment and customs clearing time.
7. **CABLE & ACCESSORIES:** Client's part.
8. **INSTALLATION:** As per client request.
9. **CLIENT'S PART:** All power connectivity, server, network, civil works, and surge protection/grounding will be provided by the client (as required).
10. **SERVICE AND SUPPORT:** Platform maintenance and technical support are included in the monthly subscription. Onsite hardware service is not included; for onsite service and support, service charges are applicable.
11. **VALIDITY:** This proposal remains valid for 30 days from the date on the cover.

> **One connected system** — the devices quoted here report directly into the Shomvob HR platform proposed in this document. Attendance captured at the device flows through leave, overtime and payroll for Asgard & Co without a separate integration step or a manual export.
